Date: 2026-08-11 Number: DEMO-DA-2026-02

Recitals

EXAMPLE MASTER DEVELOPMENT AGREEMENT DEMO-DA-2026-02 between the demo city and Demo Development Partners LLC (fictional) for the Demo Harbor Crossing mixed-use project. The project area is a fictional 40-acre site along Demo Parkway. The Demo Planning Commission forwarded a positive recommendation on the related zoning on April 1, 2026 (demo date).

Development Standards

Development standards. Maximum residential units: 600 (placeholder figure). Minimum open space: 15 percent of the gross project area. Commercial frontage is required along Demo Parkway. Building heights are limited to five stories adjacent to existing neighborhoods.

Public Improvements

Public improvements. The developer shall construct a signalized intersection at Demo Parkway and Sample Avenue, a 10-foot multi-use trail, and a public plaza before the 200th certificate of occupancy (placeholder threshold). Infrastructure reimbursement, if any, is governed by Exhibit D.

Term and Default

Term. This agreement remains in effect for fifteen years (demo). Default and cure provisions are in Section 12. Approved by the Demo City Council on August 11, 2026 (demo date). DEMO DOCUMENT — not a government record.
