

DEMO STAFF REPORT — Demo Harbor Crossing Zone Change Application

Date: 2026-03-25

Request

DEMO PLANNING STAFF REPORT. Application: zone change from demo agricultural zoning to a demo mixed-use zone for the Demo Harbor Crossing project. Applicant: Demo Development Partners LLC (fictional). The application was submitted January 20, 2026 (demo date).

Analysis

Analysis. The request is consistent with the demo general plan land-use map, which designates the area for mixed use. Traffic impacts are addressed in the Demo Parkway Corridor Study. Staff recommends the Demo Planning Commission forward a positive recommendation to the Demo City Council, subject to a development agreement.
